

# Old and new version comparison of “Kouchi” 1:25,000 topographic maps (part of the actual-size maps)

\*However, this is a sample in order to evaluate and verify the colors and expressions. When “Kouchi” will be publicly issued has not been decided yet.

○New multicolored 1:25,000 topographic map

○Former three-colored 1:25,000 topographic map
